President's Message:

Jim Andrews

Whew! Just got back from our annual trip to the "Great White North," visiting family for Christmas in Illinois and Michigan during the 'winter storm of the century.' Maybe an inch of snow where we were, but howling winds and near-zero temps for a few days. I grew up in those climes but after living in Georgia for 13 years I am not accustomed to that stuff anymore. There's a reason people don't retire and move North...

Anyway, I'll be back to wrenching on the '67 again after three months of travel and visitors. Current task is removing the old roof insulation and glue to install new. Probably the dirtiest job I've undertaken yet. Still hoping to have it ready for the BOPC...

The Southeastern GTO Association is in good shape currently with dues payments coming in on a regular basis. Thank you for getting those in on a timely basis. We had a monetary boost from the GTOAA from our volunteer efforts at the last National Convention, and from the Silent Auction that we held at the Christmas Party. I appreciate everyone's participation in it.

Our board of officers for 2023 were elected at the party as well, the slate is presented in this issue. We still have a couple of vacancies: Events/Meetings VP

and Webmaster. Please email me and let me know if you would like to volunteer for either of these positions. Or attend the January meeting...

Our next event is the newly reinstated Board of Directors lunch meeting on Saturday January 13 2023 at Gameday Fresh Grill, 2990 Eagle Drive, Woodstock 30189 at 11AM. We will meet in the same room as before, left as you enter, then another left to the front room. The membership is invited to this meeting which hasn't happened for a couple of years for various reasons. It's not a huge space, but if you have something you want to bring to the attention of the board, this is the place to do it. Or you can email me and we'll get your concern on the agenda. Lunch will be at your expense.

I'm looking forward to another great year with you and the Southeastern GTO association. Keep your classics purring and stay safe out there!

Keep 'em between the ditches!

Jim Andrews
President

The Board of Directors meeting is open to all chapter members and will be held 3-4 times per year. Although this first meeting of 2023 is listed as a chapter event for January, future board meetings will be held on dates that do not conflict with any other scheduled chapter activities. For this meeting we will be discussing planning for 2023 chapter events including the 2023 Tail of The Dragon overnighter, BOPC and GTOAA participation, as well as our need to fill the open Meetings VP and Webmaster positions. Descriptions of these positions are in this newsletter. We also have a need for a 1969 Tech Advisor.

If you have suggestions or comments on club operations or are interested in volunteering for the open positions please consider attending this meeting. You can also email Jim Andrews [HERE](#) if you would like to add something you feel should be included in the meeting.
