1969 8 cylinder distributor P/N 1111940. Correct for the 8.6:1 compression 2-barrel engines in the GTO, big car, and Grand Prix. Date code 9E20 (May 20 1969) so it may have been in a '70 model. Has AC Delco points and condenser, relatively low miles on them. Came out of a 1969 400 YB block. Make offer.

## WANTED

Wanted: 1968 or 1969 Lemans or GTO coupe for parts car. Firewall must be nice inside and out. No need for motor or transmission. Not worried about body damage or typical rust (except in firewall area). Needing inside firewall items, rear outer fender well and floor sheet metal (some rust ok).

Bill Thiele 305 302 0776 (text please).

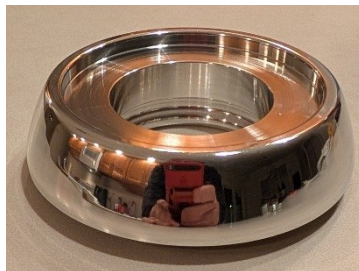

## WANTED

Wanted for 1969 GTO: Rear outer fender wells, a/k/a outer tubs. Must be GM, not aftermarket. I'm told '68 Lemans or GTO will also work.

My name is Rick Jeffers. I am a member of the GTO Association in Illinois. I am reproducing the complete reproduction horn button for the 1964 GTO sport Wood wheel. The ones that Ames no longer has in stock or has been discontinued. Mine are made out of 6061 billet aluminum and are very high quality. They are identical in appearance to the original and the reproduction model. They are highly polished and ceramic coated. I have sold roughly 30 in the last month and I'm reaching out to all the members and GTO associations. They come complete with the horn button, the lucite emblem, the rubber attachment ring, and hardware to install on your steering wheel. I sell them for \$370 shipped in a United States postal flat rate shipping box.

1964-65 GTO 4-Flue Radiator from car with (3) 2 barrel carbs / for Manual Trans car (no A/T trans cooler) / 15" high core (not for A/C equipped car – they have a 17" high core) / Original Pontiac Radiator / Inlet and outlet on passenger side / in good shape and ready to go. **(\$250)**

1964-65 GTO Hydraulic steering stabilizer COMPLETE / installed on cars with manual steering ONLY to mitigate wander / works great / stabilizer cylinder is new from Ames catalog G40 for (\$79.00). There are no aftermarket brackets made so you will have to have factory brackets from a 1964 or 1965 GTO / the bracket mounted between steering box and frame is almost impossible to find / works best with 389 with original factory oil pan. This item can be seen in "Pontiac GTO Restoration Guide" by Paul Zazarine & Chuck Roberts. OPG or NPD does not have them. **(\$175)**

1970 – 1972 GTO Rear Spoiler / Aftermarket / see Summit Racing item #OPG-GBB0055 at \$346.99 / used but in good condition. **(\$200)**

1970 – 1972 GTO Floor Mats / Aftermarket / see Summit Racing item #OPG-CFP313SD at \$139.99 / used but in good condition. **(\$50)**

1968 A/T center console / This is a real factory-installed GTO A/T console. NO ONE makes a 1968 Auto Trans console. You can get a '68 M/T console from AMES but not an A/T console. You can get a 1969 GTO A/T console from Ames with all the crap for \$539.00 but it isn't

correct for a '68 GTO. My console has the box liner, the lid hinge and the special metal plate so you can bolt it to the shifter. I guess the re-pops just screw to the floor and the console just floats around the shifter. It is black and in good condition. It does not have the console door you lean on but Ames has that at \$49.00. **(\$200)**

Borg Warner Super T-10 4-speed Transmission from 1977 Trans Am. After about 2 years the T-10 was swapped out for an M-22 Muncie so this one has been sitting in my garage since.

26 spline input / large spline output (T-400 type) / 2.43 1st gear / Hurst heavy duty shifter rods and Hurst shifter mounting plate – all you need is just the shifter itself. **(\$1,500)**
