Here we are, another calendar year beginning. I realized long ago that a New Year isn't really any different from the old year, but it can be an excuse to make resolutions that we'll probably fail to keep. I guess that's a step in the right direction. Terri and I haven't made any resolutions specifically tied to January 1st, but we've made a few since we both became retired. Anyway... this month's letter will be sort of a ramble.

I am writing this before we take off for our two-week tour of the Great White North, heading to Michigan and Illinois to see family. Normally we'd make it a long weekend, but we don't have jobs to worry about any more.

I'm looking forward to more events this year and am also looking forward to... you guessed it, getting my '67 back in a reasonably complete form. It's been

back to the painter for some touch-ups and the final cut and buff for a few months now, and he sent me a video a few days ago with the caption "Merry Christmas." Everything is blended, the car is clearcoated, and I'm starting to think that it may actually be nearing completion, fully realizing that "they're never done." If I can pick it up mid-January, I have calculated that the project is now closer to 7 years than 6. It did make an appearance at the 2024 BOPC and Pontiacs in Pigeon Forge, and (dare I say?) should make those again this year, as well as the GTOAA National Convention in Kingsport, Tennessee.

Our 2024 Christmas Party

was well attended as usual, good times with friends and food were had. Thanks BJ, for setting everything up. As always, the gift exchange was great fun. And the club received \$120 thanks to the generous bids during the Silent Auction. I hope you will choose to attend as many SEGTOA events this year as you can.

I want to thank Chris and Steve Weisbarth for taking over the Treasurer's position from Dan and Mary Williams, who have done this for several years. I also want to thank the rest of the Executive Board and all members who helped with the planning and setup of our various events. Now if we can just find someone to take over for your past president...

Finally, regarding the 2025 BOPC which falls on the Oldsmobile club to host this year, we were concerned about how this would happen. While they have not closed down, they suspended operations last year. However, after a meeting with representatives from all four clubs to investigate a joint hosting, the Olds club stepped up and will be the host of the 2025 BOPC with help from the other clubs as needed.

I know that the Southeastern GTO Association can provide a lot of assistance.

I'm Looking forward to another great year for our club. As Porky Pig would say, "th-th-that's all folks!"

Keep 'em between the ditches!

The Southeastern GTO Association (SEGTOA) invites you to join a club whose members are dedicated to the restoration, preservation, and enjoyment of the original muscle car.

THE PONTIAC GTO

The Southeastern GTO Association (SEGTOA) was formed in 1986 to encourage fellowship among those in the southeastern United States who own or share a common interest in Pontiac GTOs and other Pontiac automobiles.

The current membership roster includes nearly 100 active members. Our members reside primarily in the metropolitan Atlanta area, although we currently have members from 4 southeastern states.

MEMBERSHIP REQUIREMENTS

Our by-laws require all members to also be a member of a national Pontiac organization.

Alternately, if you own a non-GTO Pontiac, you may join the Pontiac Oakland Club International at www.poci.org.
