# President's Message:

## *Jim Andrews*

It's never fun to start off my letters on a somber note, and I am sad to inform you that we have lost another long-time club member, Tim Lawrence. Tim was the proud owner of a 1964 GTO, and his wife Katie was always available to help with setup and decorations at various events of ours. Tim and Katie were able to drive his GTO to Pontiacs in Pigeon Forge with us several years ago. The club is making a donation to St. Jude's Children's Hospital in his name.

Our annual Tail of the Dragon trip was again a success with no major hiccups other than a dead battery which did not hamper our excursions. The weather was perfect, sunny and low 70s during the day and down into the 40s at night. We had an interesting collection of vehicles unlike any before, and for the first time only one GTO. Mike Walling had started the trip in his '67 but had a brake caliper lock up, so he had to return home and was 'forced' to drive his Corvette. I can feel his pain LOL. The battery issue was in BJ Benton's Corvette which he and Bill Thiele fixed Saturday afternoon. A Mustang; a Mazda RX-7; a Buick GS400; 2 Corvettes; a Pontiac LeMans; a '67 GTO; a '78 Pontiac Trans Am; and a Chevrolet pickup support vehicle. My GTO is back at the painter for the final cut & buff (finally!) and some "touch-ups" and missed the trip yet again.

Don't forget to mark your calendars for our December event, our annual

Christmas Party in the Hickory

Room at 'Cue Barbecue in Peachtree Corners. This is one of our most highly attended events each year and the gift exchange is something you won't want to miss.

You'll be receiving your dues letter soon. We need to begin collecting dues for 2025 which help us do the things we do, like maintaining our website and renewing our not-for profit status every year, subsidizing club events, publishing the annual roster, and making contributions to charities. We have made our first increase in dues in probably 20 years, from \$20 to \$30. I have also emailed all of you the new membership application with the updated prices for first and subsequent years so you can take the update with you to car shows and cruise-ins.

We'll be discussing the 2025 BOPC with the other clubs since the Oldsmobile club has suspended operations for the time being, and they were the next in line to host the show. We are considering trying a joint hosting for next year. I'll keep you informed as to developments.

***Keep 'em between the ditches!***

*Jim Andrews*  
President

## Tail of the Dragon

SEGTOA enjoyed some great driving, incredible weather, and awesome fall colors on our annual Tail of the Dragon overnighter. The Friday night pot luck dinner was a lot of fun as was hanging out around the fire pit for drinks and 'smores afterwards. It helped that the temperatures on both Friday and Saturday nights were warmer than expected. We're planning to go back around the same time next year, so keep the late October weekends in mind.

**So you have a Factory 8-Track and you want to Hear what You Want. That's Tough!**

This is a Pioneer 8-Track Player and RECORDER. I bought this new and it has been sitting in the box for 25 years.

It was part of a Stereo System I built. I played it a few times but never recorded. This is probably the best unit folks put in their home stereo systems. With Instruction book, connection leads and 4 Virgin Tapes. Hey I will even throw in a REAL Easy Rider tape from the '70's.

Google will find you this deck for \$250, \$300, \$350 and \$400. But they aren't as good as this one. \$300.00 and its yours. Paul Sorrells (404) 702-3398 / [p.sorrells@comcast.net](mailto:p.sorrells@comcast.net)
