BRING ANYTHING ON WHEELS! ALL YEARS - MAKES & MODELS

President's Message:

Jim Andrews

After 5 years of retirement, I am continually reminded that what everyone told me is true: that I'd be busier in retirement than I was while working full-time. Seems like I don't have time to do anything. I discovered an issue with the brakes on my '67 (yes! we took it out!) on the way home from the PoBoys cruise-in on March 16th and as I write this I haven't yet had the time to fix it. Maybe this week. Maybe.

Wow. April already. I was looking out my window when a gust of wind came up and poof! A big cloud of pine pollen! **One month until the BOPC!** Our final planning meeting will be on Saturday April 6th at the Piedmont Church Cruise-In at 9AM. Registrations are ahead of where we were in 2016 and 2020 so things are looking good with more than 50 registered so far. We had decided early on that we weren't going to do goodie bags but with all the donations we've received, we're going to have to do them anyway. We'll let you know when we get together to do them. We'll be asking for a few more volunteers to help Friday afternoon to help with the parking lot set up and to help with day of show registration. We have plenty of door prizes to give away, and quite a few registrants who intend to join us for the

meet and greet at Williamson Brothers' BBQ Friday evening.

Terri and I were able to take a trip to California to see the kids and grandkids last week, and my son Steven, grandson Zeke and I went to the finals at the NHRA Winternationals in Pomona. They had never experienced the thunder of funny cars and top fuel dragsters and we had a great time until it got cold and the rain and hail moved in. The day was cut short and the top fuel finals had to be re-scheduled until the April NHRA event in Phoenix.

As we close in on the BOPC let me remind you to send in your registrations soon. This helps us know what to expect for the day of show. If things continue as they have it will be a great show.

Keep 'em between the ditches!

Jim Andrews

Classic Car Cruise In—Cumming, GA

Sunday March 10th

by Roy Swartzberg

The weather on Sunday for the rescheduled cruise-in was brisk, chilly, and sunny...a good day to be outside. Turnout was rather low; 50-60 cars. A club of newer Camaros accounted for about 12 cars. Jim Paumen also reported some modern Challengers and a few old El Caminos. It would be hard to say if the turnout would have been better if not for the previous day's weather. Only 3 Pontiacs were seen; a '63 or '64 Catalina 4-door, a LeMans station wagon, and a first gen Firebird mild custom.

The Classic Car Cruise In scheduled as our March event on Saturday March 9th was canceled due to weather. Members still got together for lunch to talk cars, BOPC, and "stuff". The event was rescheduled for the following Sunday March 10th. A few members attended but overall Pontiac turnout was low.

WANTED

Looking to purchase any old Rochester Quadrajets sitting around on a shelf or rebuild any you have on your car.

James Lee Norman; 770-778-5945

So you have a Factory 8-Track and you want to Hear what You Want. That's Tough!

This is a Pioneer 8-Track Player and RECORDER. I bought this new and it has been sitting in the box for 25 years.

It was part of a Stereo System I built. I played it a few times but never recorded. This is probably the best unit folks put in their home stereo systems. With Instruction book, connection leads and 4 Virgin Tapes. Hey I will even throw in a REAL Easy Rider tape from the '70's.

Google will find you this deck for \$250, \$300, \$350 and \$400. But they aren't as good as this one. \$300.00 and its yours.
