# President's Message:

**Jim Andrews**

Here we are at the end of another year. December is always crazy for Terri and me due to travel to see the kids and grand-kids. Fortunately, we have California out of the way already, so all that remain are Illinois and Michigan, and I'm not sure why we didn't combine those into one trip as we usually do, but it's carved in stone so there we go.

**I have asked on several occasions for someone to step up and take on the position of Events VP and have had zero response. With the BOPC coming up in May I will not be able to cover this post any longer. Please contact me about taking on this position. I know that most of you know how and where to find events to attend. I will not be planning any outings beyond January.**

You've received multiple emails regarding the Christmas Party on December 2<sup>nd</sup> at The Cue BBQ Hickory Room in Peachtree Corners, and if you haven't RSVP'd, please do so ASAP. Please plan on paying your dues at the party.

November's Tail of the Dragon was a success as always, with new-comers and old timers.

We had a wider variety of cars this year including not only your President's Mustang but Becca's Mazda RX-7 too. A good time was had by most - Unfortunately, James Richards's TransAm wouldn't start Sunday morning and had to be towed back, and Rosemarie Thiele had a harrowing experience while on a hike with Chris Weisbarth. It was quite a tale to hear but they both survived.

We're planning two events for January; Drive Toward A Cure Poker Run on January 20, and a trip to the Miles Through Time Museum on January 13. The reason for two events is that the Poker Run has a \$120 registration fee, but offers some sizeable Poker Run prizes. It starts at Sam Mahdavi's Garage in Buford, ending with a reception at the Atlanta Motorsports Park after a drive through the North Georgia mountains. The goal of this event is to raise \$5,000 for Emory

For those of us looking for a more economical event, we will tour the Miles Through Time automobile museum in Clarkesville on Saturday January 13. We'll meet there at 10AM. More details as the date approaches.

Not much to report on the '67 project this month, but the task list grows ever shorter. It might even be ready for its debut at the BOPC...

I hope to see you at the Christmas party on Saturday 12/02! Have a Merry Christmas and a Happy New Year!
